From the social worker/ Layla El Jindawi/ Nahr el Bared center 0202

Dear Ingrid

Warm Greetings

First of all I would like assure that you, your family and beloved ones are doing well and staying safe. We are all facing difficult circumstances due to the spread of COVID 19.

Please accept my sincere thanks and gratitude for your continuous support to the social work program at BAS which has been influencing many refugee families in the Palestinian camps, your support and solidarity makes a huge difference for us.

I hereby send you a detailed report about my work with the families in Naher ElBared camp and all other activities I was involved in at our center in 2020

- Following up all letters among children and their sponsors.
- Preparing the annual report of the Family Happiness project activities in 2020.
- Coordinating the remedial class project in 2020.
- Following up the sponsorship in the Kindergarten.
- Meetings with the specialists in Family Guidance clinic in the center to discuss some cases and coordinating a treatment plan to be followed with the cases.
- **13 February 2020:** Meetings of institutions by the invitation of Nabee' Association and TDH / Italy to discuss some topics as the standardization of language, challenges facing education, and how to make plans to treat them.
- A coordination meeting at the UNRWA school with the Department of Academic Support in UNRWA to work on forming a committee to follow up the program and how to raise students' educational level

- **March 16, 2020:** A meeting with UNRWA, the popular committee, institutions, public movements, Palestinian factions and civil defense at the public committee center to discuss the ways to prevent the spread of the Corona virus and forming live centers in the camp to face this crisis.
- **12 and 13 April 2020:** Participating in distributing Voucher of food materials, with the support of Welfare Institution for 596 families in the camp.
- **May 8 and June 23, 2020:** Participating in distributing food materials donated by Islamic Relief, to the families who are sponsoring in the center and some Palestinian-Syrian families displaced from Syria and residing in the camp.
- **May 13, 2020:** visiting some charitable people during the holy month “Ramadan” to secure assistance and Eid clothes for some sponsoring children at the center.
- **7, 13 and 14 July 2020:** Participating in the distributing Voucher of detergents with the support of (UNDP) for the Palestinian-Syrian families displaced from Syria and the families who are sponsoring in the center.
- **August 5, 2020:** A solidarity meeting with those who are affected by Beirut explosion via social media programs that brought together institutions from Lebanon, Turkey, Jordan and America (University of Michigan).
- **August 8, 2020:** Participating in a meeting with the Advocacy Committee, the civil defense and the camp manager at Najdeh Social Association/Nahr el-Bared Center in order to develop a plan for how to deal with infected people in Coronavirus in the camp.
- **September 12 and 17:** Participating in distributing food materials provided by the France Palestinian Solidarity Association to 400 sponsoring families at the center, cancer and kidney patients and Palestinian families displaced from Syria.
- **September 17, 2020:** Participating in a social media activity to revive “Sabra and Shatila massacre” with the colleagues in all centers of BAS institution and with a committee of “Not to forget”.
- **October 28, 2020:** Participating in a meeting to prepare and coordinate the project of psychosocial support for adolescents (distribution of tasks and roles to social workers) with the official of the Beddawi Center and the social workers in Family Happiness and Mental Health at Beddawi Center.
- **During October and November 2020:** Evaluating all sponsoring families at the Beddawi Center.
- Coordinating the project of psychosocial support for adolescents between 12 and 18 years, which included awareness sessions, psychological topics and transferred 50 cases to a mental health clinic to be followed-up by psychologists for three months (October - November and December 2020).

- Filling out forms and conducting interviews with service providers in the BAS institution at Nahr el-Bared Center regarding the Coronavirus, the precautions taken, and how much the beneficiaries and service providers adhere to these procedures with Michigan University/America, and hold meetings and trainings on the subject through social media (online) during July, August, September , October and November 2020, in addition to preparing work plans and weekly programs for interviews and observations.
- **October 7, 2020:** Attending a meeting with the Director of UNRWA in Lebanon (John White Claudio) and Ms. Najat- the UN Humanitarian Coordinator- to discuss the economic, living, housing, education and health situation of people of Nahr el-Bared.
- **October 21, 2020:** A meeting with Ms. Yoshiko, director of the Japanese CCP Association, to discuss the economic conditions inside the camp and its impact on poor families and some services at the center (Activities project and Reports) via social media programs (Online).
- Coordinating the sports activity project for girls (25 girls from 12 to 18 years old) during December 2020, January, February and March 2021, and giving awareness, sports and educational sessions, in addition to playing football and table tennis.
